

BUSINESS SUCCESS TOUR 2011: TAKING CONTROL OF YOUR PROFESSIONAL DESTINY

The days of working 20+ years for the same employer and collecting your gold watch are gone forever. Even historically stable positions with government and industry titans are a thing of the past.

If you are worried about your own job security or have even been displaced yourself, this workshop is for you. Even if you are just unhappy in your current position, you may be interested in this one-of-a-kind event.

Did you know there are things you can do to get in control of your own professional destiny?

Over the last 18-24 months our economy has been turned on its ear, but thousands have decided that they no longer want to have their future controlled by someone else.

Join us for a unique LIVE event. Hear from a panel of experts on business ownership and meet influential franchisors in your community. Be your own boss and decide your future.

Participate in Break Out sessions to get a more intimate experience with business opportunities of your choosing.
