

# BECAUSE BUSINESS IS BETTER BY THE WATER

We want to thank you for your support. We would like you to be our guest for a unique gathering hosted by Advantage Business Magazine and partners. We have created a spectacular one-time event that will allow you to experience our great river, network with high-quality business contacts and have a great time.

We will start with an after-work reception on the docks at the Julington Creek Marina. Enjoy making some new friends while snacking on gourmet hors d'oeuvres. Then top off your drink and climb aboard one of the state-of-the-art boats supplied by Freedom Boat Club and driven by knowledgeable captains.

Imagine melting the stress away by taking in a beautiful sunset over a majestic river, with a cold drink in your hand while the wind massages your senses... AHH. If that sounds good to you, please join us.
